BDCP admin draft EPA comments withKSreview.docx

Hi Kathy,

I am sending over the admin draft comments on the BDCP. Karen Schwinn and Tom Hagler have both reviewed and I have incorporated their comments/corrections. Karen would like to send this as an email to BOR and cc the list of people involved in the coordination meetings thus far (all the action and cooperating agencies).

As we talked about last week, this is a preliminary admin draft (hence, lots of analyses are missing) and we are sending our comments at the same time as the action agencies (BOR, etc).

I will do a weekly for this.

Thanks,
Stephanie
